

## WHS Band Boosters Fundraiser - GT Football Concessions

### General Description:

- WHS volunteers will staff 2 concession areas and 1 concession cart.
- Proceeds from all 3 areas will be combined.
- 35% of proceeds will be credited to the band organization; 65% will be split equally between all the volunteers who staffed the event.

### GT Concessions – WHS Volunteer Selection Process

- Headcount will be limited to a specific number for each game.
- Prior to each game, emails will go out to all parents identifying the game date, the number of volunteers needed, and reply-by date.
- Those interested in volunteering, will need to reply to the email by a specific date (noted within the email).
- If we receive more volunteers than we have headcount for, everyone's name will go into a drawing for a spot.
- We will forward a second email to everyone who responded and identify the number of people who volunteered and the names of those that were selected.
- We will follow this process for each of the games noted in the GT HOME GAME SCHEDULE.
